Comments about **Route One** - Sigur Rós

Buge

There exist test pressings of this one too. Was lucky enough to get one...

Zovaihtug

...Soap_Creatives February 25, 2018 comment confirms that Sigur Ros vinyl releases still - this date.. have lots of clicks and pops here and there.. for example route one... Liminal remixes clicks all the time also.. pressing quality is very poor..

SHE ORIGINAL

@Soap_Creatives which album is your favorite? How would you rate them? Just curious :)

Pettalo

Personally, my favourite would have to be Route One. I absolutely love the endless ambient tones from that album. Also, the extra 'tracks' that weren't heard in the original video are really interesting as well :)

Yozshujind

What exactly are the songs on this vinyl? I'd love to see if someone uploads an mp3 of them to YouTube...

Gela

It's now available on Spotify as well. It was well worth the wait!

Simple

Yes. - The Frakkur release was also bought at NoN

Mpapa

How do you have the Frakkur release? Did you buy at NoN?

zzzachibis

Thanks Soap! Also, they just announced they are being released on Record Store Day.

Iseared

Thank you, Soap! This is great. I watched nearly all of Route One when it was livestreaming, have wanted just the audio on loop for a while.

Dordred

I've digitised a copy of mine. There are some extra "tracks" that weren't included in the live broadcast. <https://www.dropbox.com/sh/8u16f43700ts3ta/AAAtfdf--SFD3lZEd4BihRzFa?dl=0>Enjoy..!

Brick my own

Molotok

Granigrinn

Bil

I believe that a number of copies in printed sleeves will be made available on SR's webstore - check the website.

greed style

No, only on Record Store I think. Hope will be available

Malarad

As well as the other albums they released during the festival I believe. Communication on when it will be out is a bit unclear though.
