Comments about [Sock It To Me Latino](#) - Meñique

Eyalanev

This is actually a 1st reissue of the 1968 original Kako & His Orchestra - Sock It To Me Latino - Musicor Records - MM-4049. After seeing the final production, Menique was upset with Kako because he was not mentioned on front cover of the Musicor Records jacket. In order to keep the peace within the family (Menique was Kako's Brother-In-Law), Kako asked ARTOL Records label to release it as Menique Y Kako.
