## Notes

First pressing has labels without Warner logo (W) on rim text and vinyl matrix ending with 1/4/1/1. The original die-cut "windows" cover has "SWAN SONG/484 KINGS ROAD, LONDON SW10" address at the top on back.

The set contains two custom inners with code "SSK 89400/A" for disc 1 and "SSK 89400/B" for disc 2 on bottom right back corner, plus a 2-page folded insert that has songs titles, credits, and text "Sleeve printed and made in England by Gothic Print Finishers Ltd., London SE9 2EQ".

Original cover, inners and insert are smooth on the outside and textured/rough on the inside.
